PASSENGERS COMFORT POLICY

DINASTIA JATI GROUP recognizes the positive impact that suitable comfort criteria and design practices may have on the comfort, safety, and overall well-being of passengers.

This Policy for Passenger Comfort on board vessels has been developed with the objective of providing criteria that will assist in improving the comfort of the passengers on board vessels.

These comfort criteria have been chosen to provide means to increase the comfort, enjoyment, and satisfaction of passengers.

- Cleanliness of the Passengers Saloon
- Comfortable Seats with the upkeep of cushion upholstery
- Clean Toilets and Hygiene Washroom
- Cool air conditioning and adequate illumination
- Entertainment facility

The management of Dinastia Jati Group strive to achieve the above-mentioned criteria, shall maintain and to manage the passengers comfort policy through-out the charter hire period.
